**Subject:** Very concerned about the redistricting proposal impacting French Quarter

We are very concerned about the redistricting proposal that would result in the state's treasured French Quarter being lumped in with a district that includes an area as different as New Orleans East. We really need to be with other districts in New Orleans' historic, along the river corridor.

It is also a concern to lose even one more seat for Orleans Parish than was anticipated.

Please do what you can, and let us know what else we can do to help. Thank you very much!
