Subject: Redistricting: Protect New Orleans and the French Quarter

As a resident of New Orleans's French Quarter, a small business owner, and community activist, I am counting on your hard work and support to protect New Orleans and the French Quarter by defeating ill-considered, grotesque and irresponsible amendments to the current redistricting proposal before the legislature. These amendments disrespect city neighborhoods and throw disparate communities and interests into awkward juxtaposition.

In particular, I refer to:

- Amendment #248, which would place the French Quarter in a district with New Orleans East; and
- Amendment #244, which would split up the French Quarter, putting one large French Quarter precinct in District 91 and the others in District 101 (New Orleans East).

I'm counting on your active and vigorous support.
