Honorable Speaker Jim Tucker

 Greetings,

My name is John Holcomb and reside at 1005 Governor Hall St., Gretna, LA 70053 and I strongly object to any of Jefferson Parish/ City of Gretna being combined with any part of Orleans Parish. Their customs and practices have created the financial and political problems they have and combining them with others would be a great dis-service to non-residents of Orleans Parish. We choose NOT to live in Orleans Parish precisely because of their ways.

Thank you  
John Holcomb
