Statement of Gloria Kambur
House of Reps / Dist. 81

March 21, 2011

Dear Speaker Tucker,

As a Metairie resident ~~SPEAKER'S OFFICE~~ 81 for over thirty five years, I was just made aware of your meeting at Dillard University. I cannot believe that anyone would even suggest that we eliminate district 81 and combine it with New Orleans. I do not want anyone in New Orleans to represent me and am extremely opposed to this "Combination". I want only a Metairie (Jefferson) public official to represent me - not someone from another parish. There was "no opposition from Jefferson residents" because no one even knew about this meeting which was held in New Orleans. This whole thing appears to be extremely "underhanded" and I am one of many who opposes any such "Combination".

Sincerely,

Ms. Gloria F. Kambur
