Subject: REDRISTRICTING PROPOSAL 2011

To House
Speaker
Representative Jim Tucker,

As you know many of us are aware of the proposed re-districting plan based on the 2010 Censes.

It is clear the process will cause some reshaping and possible elimination to some existing districts. Keep in mind, this plan would hinder representation for Leesville and Fort Polk, LA, home of the Joint Readiness Training Centers (JRTC) which is one of the largest and best training centers for the United States Army.

Therefore, I am not in favor of the re-districting plan.

Respectfully,

Willie M. Kennedy,
Councilwoman, District Two
Leesville, LA 71446
