Statement Jim Kilcoyne
House of Reps/Vernon

Rep. Nowlin:

I see where Natchitoches Parish is being divided as part of redistricting. I do not think this is in the best interest of the people of Natchitoches or of NSU, both of whom you have served extremely well. However, I know that both the people of Natchitoches and NSU can continue to count on your unrelenting support. As Director of the SBDC at NSU I appreciate your support for our efforts to bring services to the small business community throughout central Louisiana. That mission will not change and I know we have your support going forward.

On a personal note, as a resident of East Natchitoches, I believe you will continue to serve as my state representative. I am pleased to see that. In that regard, you have my support.

Thank you for your wonderful service to District 23. Your continued presence in the House of Representatives is also appreciated, regardless of the geographic boundaries of your "new" district.

All my best and good luck!
