Subject: Against Amen. 248

Speaker Tucker,

As a resident of the Carrollton area and the Broadway triangle, my family and I want our Uptown neighborhoods united in the legislature. We strongly oppose Amendment 248 to House Bill 1. If this bill passes, the Carrollton neighborhood would be carved up and represented by two different Jefferson Parish politicians, giving us less representation. Please do not allow this redistricting to pass. Respectfully,
Mr. Brendan P. Minihan Jr.
