Dear Representative Tucker:

As Chairman of the Jefferson Business Council and a resident and business owner in Jefferson Parish, I think it is imperative that Jefferson Parish maintains its representation with the maximum number of House seats supported by the latest census statistics. To effect this, I believe House Bill No. 1 with House Floor Amendment 248 (which will be presented this morning by Representative Tony Ligi) best accomplishes this goal. I ask for your support to move this forward and ask that you give this your highest priority because of its importance to Jefferson Parish.

I know that this has been a real challenge in the Special Session, but I do appreciate your fortitude and commitment to see that the process is completed in a fair and equitable manner. If I can be of any assistance to you in the process, please do not hesitate to contact me at:
