Amendment 248 to HB 1 OPPOSED

Dear Speaker Tucker:

I request your support in opposing Amendment 248 to House Bill 1. The redistricting proposal will guarantee that the Carrollton area of New Orleans will become a peripheral area of a district and its needs and interests repeatedly shunted aside in the legislative committees of the House of Representatives. I can provide proof for this outcome now. My Congressional representative is Steve Scalise, but you would not know it if you looked at his legislative record, especially his insensitivity towards issues such as public transit, effective air quality monitoring or health care reform. I have to endure this kind of under-representation on the Congressional level. Must I be injured and insulted on the state level as well? Please oppose Amendment 248 to House Bill 1.

Respectfully yours,

James Segreto
