Dear Speaker Tucker:

I am writing to oppose Amendment 248 to House Bill 1. My wife and I are longtime residents of the Carrollton neighborhood of New Orleans. We have seen from experience that representation of our neighborhood by Jefferson Parish legislators is not in our interests. The carving up of a New Orleans neighborhood by two Jefferson Parish representatives is unfair and opposed by every neighbor with who I have talked about the redistricting plan.

Again, I and my neighbors OPPOSE Amendment 248 to House Bill 1. We appreciate any recognition and assistance you can offer in this matter.

Respectfully yours,
