Wildlife and Fisheries is the state agency responsible for management of the state's renewable natural resources, including all wildlife and aquatic life. The control and supervision of these resources are assigned to the department in the Louisiana Constitution and in the statutes under Title 36 and Title 56.

Mission: To manage, conserve, and promote wise utilization of Louisiana's renewable fish and wildlife resources and their supporting habitats through replenishment, protection, enhancement, research, development, and education for the social and economic benefit of current and future generations; to provide opportunities for knowledge of and use and enjoyment of these resources; and to promote a safe and healthy environment for the users of the resources.

Significant Adjustments

-$8.2 M

Decreases Interagency Transfer budget authority from the Department of Public Safety for expenditures related to the Deepwater Horizon oil disaster. A majority of the funds were used for oyster cultch reestablishment projects.

$7.0 M

Increases Statutory Dedications from the Conservation Fund ($1.75 million) to match an increase in federal funds ($5.25 million) in the Wildlife Program to be used for the purchase of land and heavy equipment for the state’s Wildlife Management Areas (WMA’s). Funds will also be used for mulching & herbicide treatment of woody vegetation at Catahoula Lake and for a new waterbird nesting area in the Mississippi River Delta.

$6.7 M

Increases Statutory Dedications from the Conservation Fund for employee performance adjustments ($1.5M), employer retirement increases ($4.3M), and employer health insurance premiums ($944,000).
Significant Adjustments

Decreases Statutory Dedication budget authority from the Conservation Fund that is being used in the current year to purchase state-owned lands.

-$2.0\ M\ STAT\ DED

Increases funds from the Artificial Reef Development Fund for expenditures related to the Louisiana Creel Program ($500,000) and the Louisiana Wild Seafood Certification Program ($1.5 million). The LA Creel Program expenditures are related to the collection of statistical information used in the state-mandated fisheries stock assessment. Total funding in FY 15 for the LA Creel Program is $1.5 million. Funds will also be used to support expenditures related to the LA Wildlife Seafood Certification Program. Wildlife and Fisheries works with the Dept. of Agriculture and Forestry, the Dept. of Health and Hospitals, Louisiana State University, and the LA Seafood Promotion and Marketing Board to oversee the development and implementation of the Louisiana Wild Seafood Certification Program. This program is budgeted a total of $2.9 million in FY 15.

$2.0\ M\ STAT\ DED

Decreases Statutory Dedication from the Artificial Reef Fund for current expenditures being made for the Louisiana Wild Shrimp Refrigeration Program and for the Louisiana Marine Fisheries Enhancement Research Science Center.

-$2.1\ M\ STAT\ DED
CONSERVATION FUND
(La. Const. Art. VII, Section 10(A))

– Revenues derived from fees, licenses, permits, royalties

– Recommended in the Executive Budget at $79 million

– Used solely for the programs and purposes of conservation, protection, preservation, management, and replenishment of the state's natural resources and wildlife, including use for land acquisition or for federal matching fund programs which promote such purposes, and for the operation and administration of the Department and the Wildlife and Fisheries Commission.

$76 mill
ARTIFICIAL REEF DEVELOPMENT FUND  
(R.S. 56:639.8)

– Companies that donate oil rigs to the Dept. of Wildlife and Fisheries (WLF) for artificial reefs generate a cost savings to dispose of the oil rig. 50% of the company's savings are donated to WLF.

– Recommended in the Executive Budget at $10.8 million.

– To promote, develop, maintain, monitor, and enhance the artificial reef potential in the Gulf of Mexico. An additional amount, not to exceed 10% of the funds deposited to the fund each year and 10% of the interest income to the fund, may be used by the department to provide funding in association with the LA Wild Seafood Certification Program, particularly in support of wild-caught shrimp, established by the department.

– Over the last six years, approximately $60 million has been transferred out of this fund and into the state's general operating budget.

– Act 434 of the 2013 Regular Session provides for the creation of this fund in the constitution if passed by the voters on November 4, 2014.
